God is talking. Please listen.	Poverty is not a family value.	Transparent people can speak with authority.	Seek God's dream for you.	We are created to love each other.	Just listen. God is in charge.	Only with love can we change the world.
10	11	12	13	14	15	16
We are responsible for our own actions.	Feel the presence of God within you.	Let God surprise you today.	Enjoy the gift of laughter today.	Take up the cross today. Jesus will walk with you.	Jesus will always help you carry your load.	Let God help lead you today.
17	18	19	20	21	22	23
Forgiveness is the joy of love.	Notice someone in need.	Let God make your day awesome!	Give a smile to someone, enjoy the gift.	Live your life with joy. Others will notice.	Spend a few minutes in silence today.	Thank God for your family and friends.
24	25	26	27	28	29	30
Appreciate the gift of your body.	God is always working through us.	Adjust to the challenge of a new day.	What hinders us from following Jesus?	Let us make our church strong today.	God wants to heal us. Just ask!	Hunger and thirst for God's love today.
