

Honoring OUR PAST

Strengthening OUR FUTURE

A Campaign for Blessed Sacrament Parish

Rooted in Faith, Ready for Tomorrow

For more than a century, Blessed Sacrament has been a place where faith is nurtured, friendships are formed, and Christ's love is shared. Our upcoming capital campaign will help keep our parish strong for generations to come. Read on to preview our plans and priorities for the campaign. Thank you for your support!

Dear Friends,

I am pleased to share that Blessed Sacrament will soon be embarking on a parish-wide campaign to care for the needs of our parish, school, and wider Church. This is a chance for us to come together as a community—to renew and restore the spaces we've inherited, to serve the needs of our people today, and to pass on something strong and beautiful to those who come after us.

My hope is that this campaign brings us closer to one another and closer to the Lord. That together, we can care for our parish, support one another, and build something that strengthens both our faith and our future.

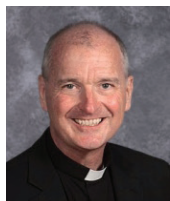

—Fr. Tom Meyer

What Will This Campaign Support?

The *Honoring Our Past, Strengthening Our Future Campaign* will help us address several important priorities, including:

- **Restoring and renewing our church interior** so that it remains a worthy and beautiful place of worship.
- **Making much-needed improvements to our school facilities**, helping us provide a safe, vibrant, and welcoming space for students, teachers, and families.
- **Addressing storage needs and key campus maintenance** to support our ministries, parish events and activities for years to come.

These projects are about more than bricks and mortar—they are about honoring the sacrifices of those who came before us and ensuring that future generations have a strong spiritual home.

“ My hope is that this campaign brings us closer to one another and closer to the Lord. That together, we can care for our parish, support one another, and build something that strengthens both our faith and our future.” Fr. Tom Meyer

Why Now?

This campaign is part of a broader diocesan initiative asking every parish in the Diocese of Springfield to assess its needs and come together in support of our shared mission.

At Blessed Sacrament, this is our opportunity to care for the parish we love and ensure it continues to serve and inspire for years to come. Our buildings have served us well, but they are aging and in need of attention. By acting now, we can prevent larger issues, care well for what we have been given, and prepare our parish for the future with confidence and hope.

We are building on a foundation of faith, service, and community that has been lovingly laid by those who came before us, as together we honor our past and strengthen our future.

What's Next?

While the campaign will officially kickoff in mid-September, planning and preparation work has been underway since earlier this year. In the coming weeks, you'll hear more about this effort at Mass, in the bulletin and through parish communications. In the meantime, we invite you to:

- **Pray** for our parish community and the success of this campaign.
- **Stay connected** as we share more about our plans and priorities.
- **Consider** how you might be called to participate when the time comes.

Thank you for your prayers and support – we look forward to sharing more details about the campaign in the coming weeks!
